

Michigan Handball Association
Presents
2011 STATE SINGLES TOURNAMENT

April 1 - 3, 2011

Welcome to the 2011 Michigan Handball Association State Singles tournament hosted by the Detroit Athletic Club (DAC).

The good news is that we have had an outstanding turnout with 63 players registered. The bad news is that the DAC only has three courts to accommodate all these players. Because of these challenges we were not able to offer all divisions (or drop down divisions) and we had to limit players to one division. Based on your registration, you were placed in the division that would best allow you to play the most matches.

Please be aware that court assignments and times are subject to change as matches will end early or run late. Please be ready at least 30 minutes before your scheduled match.

While our court limitations may limit the amount of handball each player can play, we will hopefully make up for it with outstanding services, great food and beverage, and lots of great handball to watch.

These amenities include:

- Friday night Mexican Dinner Buffet (fish option available) with Keg beer and other beverages
- Saturday & Sunday morning fruit and coffee/beverages
- Saturday lunch sub-sandwich buffet
- Saturday night Coney buffet with Keg beer/other beverages
- Sunday pizza lunch
- Use of DAC locker rooms which include locker use, towels, full Jacuzzi spa, steam room, and sauna.
- Free parking for players
- High quality "wicking material" shirt for all players

A few reminders for procedures and DAC Club rules:

- Dress code: there is no jacket required and casual dress is permitted which would include athletic attire or business casual dress. The two main dress code requirements are **no denim (jeans) and no hats.**
- When parking, pull into the garage and provide your name. The garage staff has a list of all registered players.

- The locker rooms are on the 3rd floor. Please sign in and use HB as the code under Member number. The locker room attendants will provide you a locker key. You turn this key in each day.
- The courts are located on the first floor immediately to the right after you enter the entrance closest to the parking area. DAC staff will be happy to point you in the right direction if you have trouble finding the courts or locker rooms.

Thank you for your participation. Good luck in the tournament.

(Non-players who would like to watch are welcome to attend. Food and beverage is limited to players and MHA members whose dues are current. Valet parking or street parking is available).

Thank you to our tournament sponsor Long Term Care Resources (Rick Leonard -DAC Member).

The complaint department for draws, court times, seeding, etc. is located on the 7th floor.
